WELLNESS, AWARENESS & OBSERVANCES

GANDHI JAYANTHI

NIPS celebrated Gandhi Jayanti with reverence and enthusiasm honoring the birth anniversary of Mahatma Gandhi, the father of our nation. The day began with a solemn assembly where students and teachers gathered to pay homage to Gandhiji's ideals of peace, truth, and non-violence. In honor of Gandhi Jayanti, we've organized a special movie screening about the life and legacy of Mahatma Gandhi.

This enriching experience not only deepened student's understanding of India's history but also inspired them to uphold the values Gandhiji cherished. The screening was a meaningful tribute to the Father of the Nation and left a lasting impression on all.

TRAINING SERIES FOR TEACHERS

SENSITIZATION PROGRAM ON FINANCIAL LITERACY AND USE OF DIGITAL TOOLS

By Ambica Chari, CBSE RO.Trainer

Our school recently hosted a Sensitization Program on Financial Literacy and Digital Tools for teachers, empowering them with key skills in financial management and digital technology. The program covered essentials like budgeting, saving, and debt management, along with practical sessions on digital tools to track finances and make secure online transactions.

Through expert-led sessions, teachers gained confidence in managing finances and using digital platforms effectively, enhancing both their personal and professional lives. This initiative aimed to foster a financially aware and digitally empowered school community.

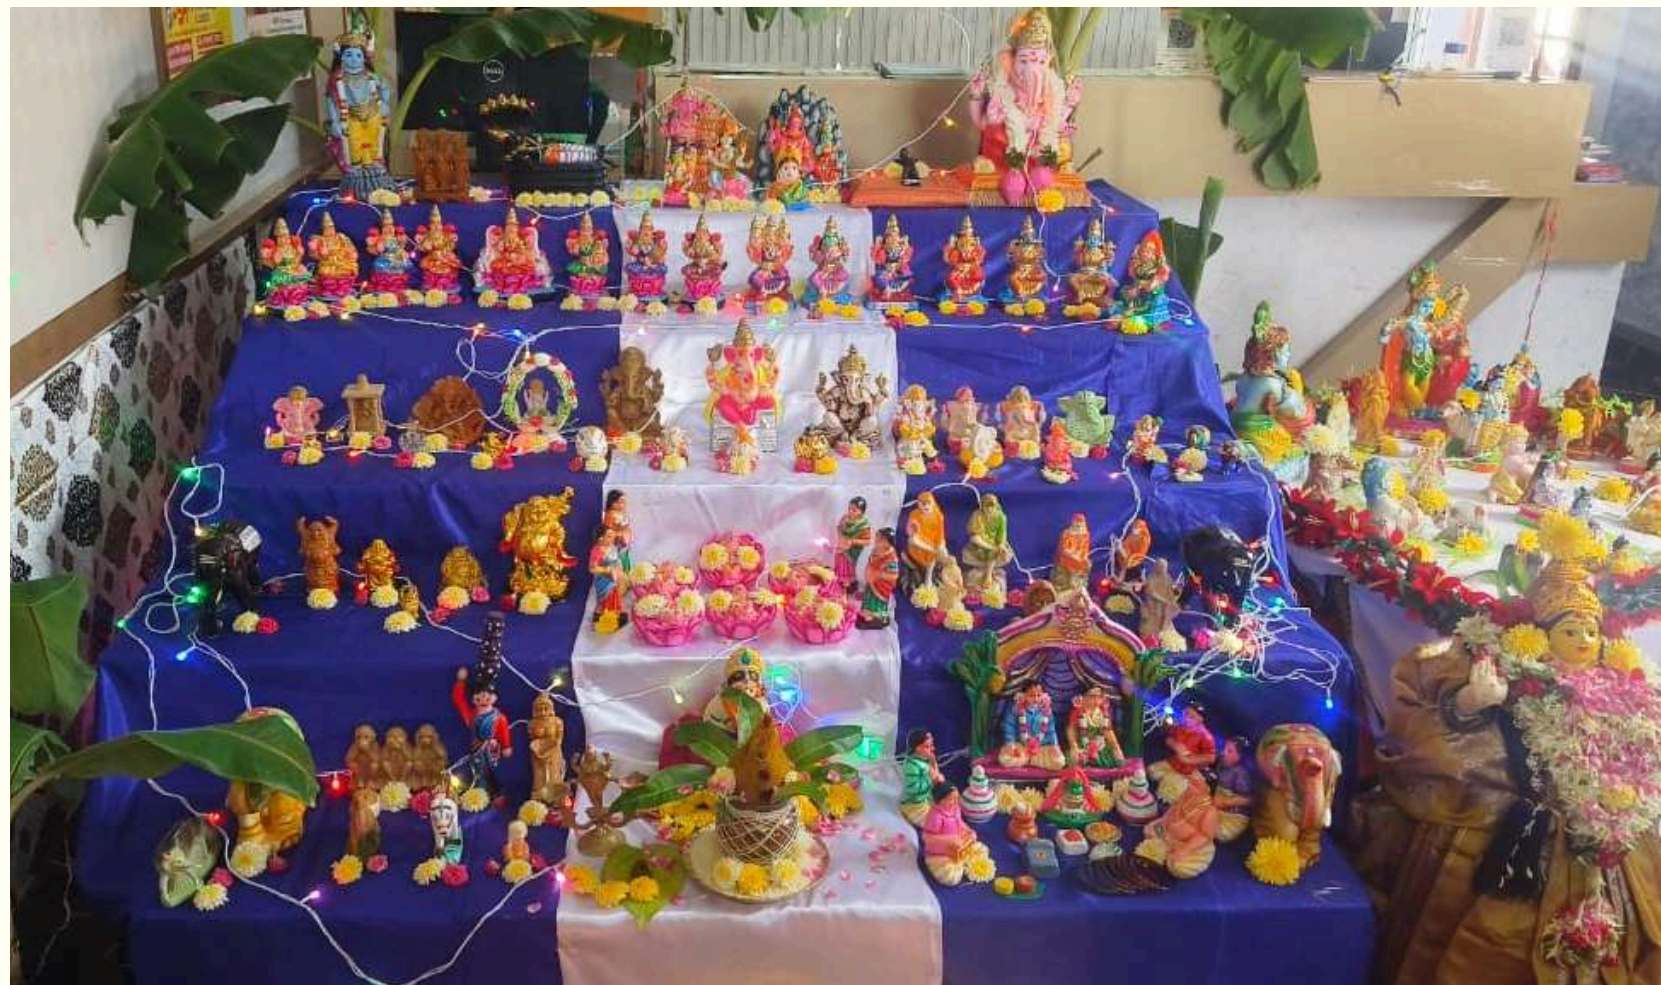

IIMUN INTRODUCTION PROGRAM TO STUDENTS

Our school recently organized an Introduction Program on the Indian International Model United Nations (IIMUN) to familiarize students with this esteemed platform for global engagement and leadership.

NAVARATRI

Our school celebrated Navaratri with a beautiful display of the traditional Golu, bringing together students and staff to honor this vibrant festival. The Golu, a decorative arrangement of dolls and idols symbolizing various deities, mythological stories, and cultural themes, was meticulously set up in the Front office, attracting students from all classes to witness and admire its beauty and symbolism.

DIWALI CELEBRATION

This Diwali, our school embraced the spirit of giving by organizing a meaningful Handful of Rice Donation Drive to support those in need. Instead of traditional celebrations, students and staff came together to donate rice, symbolizing a small yet significant contribution toward spreading joy and sustenance to the less fortunate.

Through this unique celebration, students learned that the joy of Diwali is not only in the lights and festivities but also in sharing and caring for others. This initiative illuminated the hearts of everyone involved, making this Diwali a truly special one for our school community.

ORANGE DAY

The children of Pre-Primary Section celebrated Orange Day with a sole objective to acquaint the little ones with the concept of this secondary colour and objects related to it. The children were exposed to a series of creative activities to help them understand the positive impact of orange. Kids dressed up with costume in orange. The activity helped in reinforcing the concept of orange colour and creating a cognitive link between visual clues and words among the tiny tots.

Tiny tots in orange radiated warmth and happiness, combining the physical energy and stimulation of red with the cheerfulness of yellow.

HALLOWEEN 🎃🎃

Our tiny tots had a spooktacular time during the Halloween celebration at school, dressed in adorable costumes from friendly ghosts and superheroes to cute witches and pumpkins. Our youngest students filled the school with excitement and festive spirit.

The celebration included a fun costume parade, where each child had a chance to showcase their outfits and creativity. To wrap up the celebration, students received treats and enjoyed dancing to Halloween tunes. It was a wonderful experience for our tiny tots, sparking their imaginations and making Halloween a fun, memorable event.

KIDDO'S DIWALI

Our young students celebrated Diwali creatively this year with a Diya-Making Activity! The children enthusiastically decorated traditional diyas using vibrant colors, glitter, and beads, bringing a festive sparkle to each creation.

Guided by teachers, the kids learned about the significance of diyas in Diwali celebrations, symbolizing the victory of light over darkness. Each child expressed their creativity, resulting in beautiful, unique diyas to take home and share with their families.

This hands-on activity not only brought out the students' artistic talents but also instilled a sense of cultural pride, making the Diwali celebration memorable and joyful for all.

IN CLASSROOMS

Flower Vase making, Art and Craft by LKG Tots

Counting Tens by Placing Beads

**Conversion of Units - Physical Balance Activity
by UKG Tots**

IN CLASSROOMS

Math Lab Activity- Making Shapes and identifying its Axes of Symmetry

We are thrilled to announce that one of our talented students, Pragadheesh Vishagan.K , has achieved an impressive State level 3rd rank, South Zone 7th, National 49th rank in the International Silverzone Olympiad Contest - 2023, in STEM. This prestigious achievement highlights his dedication, hard work, and passion for excellence. Competing at an international level requires both determination and resilience, and we are incredibly proud of this outstanding accomplishment.
